Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Monday 28 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy with rain and drizzle. Brighter this evening.

Today:
Overcast with drizzle at first, foggy across the Chilterns. Becoming dry during the morning but showers quickly forming along the south coast around midday. Showers slow moving and turning heavy or thundery, however sunny spells developing away from this area. Maximum temperature 22 deg C (72 deg F).

Tonight:
Turning into a sunny evening for much of the region, however showers will continue to persist along the south coast throughout the night, with cloudy conditions spreading northwards. Minimum temperature 14 deg C (57 deg F).

Tuesday:
A cloudy day with showers continuing to affect the south coast, merging into longer spells of rain during the morning. Some sunshine possible later towards the west. Maximum temperature 20 deg C (68 deg F).

Outlook for Wednesday to Friday:
Generally cloudy during the mornings, improving by midday with sunnier spells in the afternoons. Dull with outbreaks of rain and drizzle early Wednesday. Occasional showers on Thursday and Friday afternoons.
